Dear Monique and Friends:

We are honored to thank you for the lovely donation of Build-a-Bear's you gave the patients of Childrens Hospital Los Angeles. Your gifts were an excellent match for the needs of our patients who face daily challenges from their critical and chronic illnesses.

In these troubled economic times it's refreshing to find people who still have the time to be kind and generous; people who still believe that the more you give the more you receive; and people who are ready to reach out their hand to help others in their hour of need.

Your kindness and caring play such a big part in lifting the spirits and touching the hearts of our patients and families. The warmest of "thank you's" can't even begin to express what a wonderful deed you have done. Please accept our deepest thanks and gratitude.

Sincerely,

Wendi Kellaris
Manager, Volunteer Resources
